## BANDED PARMERS.

COUPTY GRANGE DIRECTORY.

We suppose it is now well enough known

legitimate ways to promote the interests of the yards of our citizens. On all our streets the regular meeting. We learn from an anthoristished card; but will never hesitate to criticise animans flaunt their gaudy trusses by the side any departure from the principles of justice of the many-hued tulips. It is the very spir-to all men and trades, upon which the order is founded. We were often asked by our size scenes. farmers, join by the and hearts and counsels and roses, me the common good; for the larger movement seems to be firmfy grounded on good morals, justice and right, and all who have an interest in agricultural pursuits, the spread of knowledge, the encouragement of amity and social intercourse, purity in official station, and who feel that they are entitled to respect to an their assumptions. tied to protection in their swn business mat-ters, should extend their hearty support. We work. Let all who feel an will receive benefits. From the country, and upon the country the wealth of the country, and upon the share of admiration products of mother earth we must all depend; week for a splendid

movement, and feeling that the able letters don't look sharm to take charge of a Grange Department in the Journal, but have thus far failed to secure wholesale houses in Lor Journal, but have thus far failed to secure
such a person. We have long since placed at
the disposal of the Granger of the county, a
boltom of space in our paper weekly, but
have failed to induce them to occupy it;
therefore we propose to open a Grange and
therefore we propose to open a Grange and
agricultural Department, and endeavor to fill
it with such suitable matter as we can select,
and find time from other and multitudidous
disposal of the Granger of the county, a
boundary of the Granger of the County, a
bou

There are eight Granges in this county, hist- wille let

We learn the Grangers will, or have, appointed an ascessor, who will make at the proper time a report of the quantity of steek and produce for sale at the Fall market, so that there can be no mistakee made is reference to the same, and hence speculators can take no advantage of the farmers, nor can they decrive them with reference to the quantity of stock and produce on the mer set in the whole country, as the system of gathering statistics for the exclusive benefit of the Patrona will prevail in every State in the Union. What farmer can afford to lose the benefits of this feature of the order alone. It seems to delay the matter that the day of every white tiller of the action of the nearest Grange to him at the earliest meeting.

should be thankful if the

The country of the coun favored with a series of revival discourses from the Rev. George O. Barnes, of Kentucky, who was invited by the pastors. Mr. Barnes was formately in the mission field of Northern India, but his Miling health necessitated his return, since which Unite his has been both a pastor and "a minister at large," presching the word wherever the door opened, in his own, strikingly free, earnest, winning and truly elecquent manner. He speaks wholly without notes and with the Ribbe only in his hand and on his tongue, developing its riches with wooderful skill.

Mr. Barne's visat to Elizabeth was peculiarly appropriate and acceptable. He was clasmate at Princeton with one of our pastors Rev. Dr. Kempehall, to whose house he was welcomed, and he had numerous other friends residing here.
